

## **Sample Signature & Media Campaign Bulletin Announcements**

*Place this announcement in your church bulletin to run two weeks prior to the signature campaign*

In 1973, the Supreme Court decided to make it legal to take the life of an pre-born child through a mother's right to privacy. In order to prevent the death of more innocent pre-born children, we can't wait for this tragic law to be overturned. We need to reach out to vulnerable pregnant women to give them life affirming choices they don't think they have. In two weeks we will be joining with Right to Life of Northeast Ohio and dozens of area churches in the annual Signature & Media Campaign. Volunteers will be in the back of church accepting signatures that will be sent to our legislators to emphasize our beliefs and to collect donations to support the pro-life multi-media education that gets women to choose life. Thank you for helping us Build a Culture of Life!
